Product List

On-Load Tap-Changer, Off-Circuit Tap-Changer, Voltage Regulator and Accessories

Measuring, Protection and Control Equipments for transformer

Electrical Transformer Equipments

Automation 2000

Protection Relays for transformer

Electrical Insulation Materials, Press Paper, Pressboard and DPP

Porcelain Bushing Insulators, Cast Resin Insulators and Ball Valves

Glass Fiber Banding Tape, Glass Fiber and Polyester Fiber Tape for transformer core

Vacuum System Drying Processes and Cast Resin Plant for transformers

Winding Machines for transformer coil

Cut to Length and Slitting lines for transformer core

System Tool for Cable and Switchgear Construction and Dieless Crimping Tool

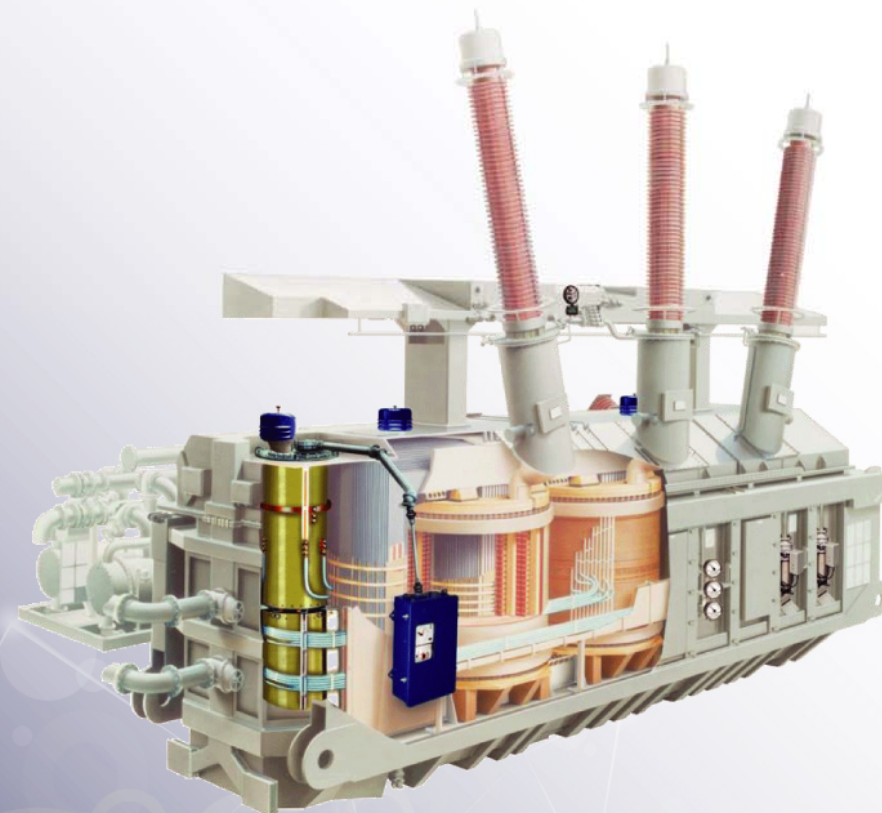

Hydraulic Cutting and Crimping Tool for cable

Recycling Machine for wood and solid waste for recycling and renewable energy plant

PRODUCTS FOR DISTRIBUTION & POWER TRANSFORMER

We are Specialist...

บริษัท ตัน แอนด์ ซันส์ จำกัด

TAN & SONS CORPORATION LIMITED

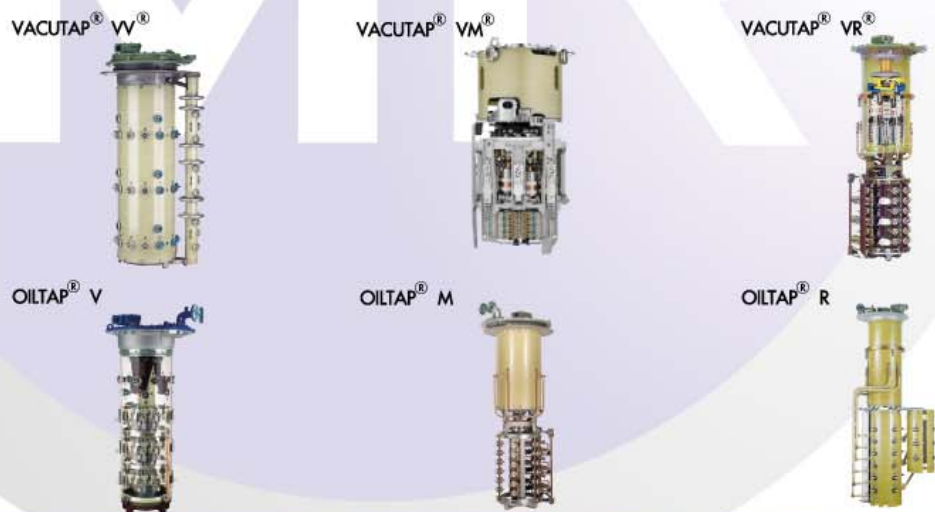

On-Load Tap-Changer & Accessories for Regulating Transformer

Messko

On-Load Tap-Changer (OLTC) for power transformer

Off-Circuit Tap-Changer (OCTC)

Motor Drive Unit

Oil Filter Unit

Automatic Voltage Regulator (AVR) control for OLTC

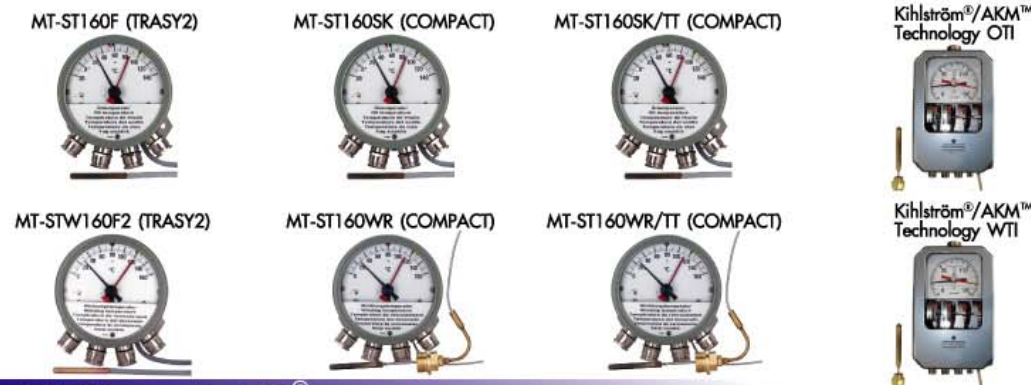

Monitoring System for On-Load Tap-Changer and Transformers

Measuring, Protection and Control Equipment for Distribution & Power Transformer

Oil and Winding Temperature Indicator (OTI & WTI)

Digital Thermometer MTeC®

Pressure Relief Device MPreC® (PRD)

Maintenance Free Dehydrating Breather MTraB®

Buchholz Relay MSafe®

Flow Indicator MfloC®

Thermometer for Distribution Transformer

Bimetallic Thermometers TB80 - TB100

Thermometers for oil-filled transformer type 1187/S

Thermometer for oil-filled transformer type MTVT 84

Thermometer for Power Transformer

Oil Temperature Indicator (OTI) MSRT 150

Winding Temperature Indicator (WTI) MSRT 150 WF

Oil Temperature Indicator (OTI) MSRT 150 AD

Thermometer for Power Transformer

Oil Temperature Indicator (OTI) MSRT 150 JLB

Pressure and Vacuum Gauge, BOURDON type

Pressure/Vacuum gauge type 1286/SS

Buchholz Relays

BR25

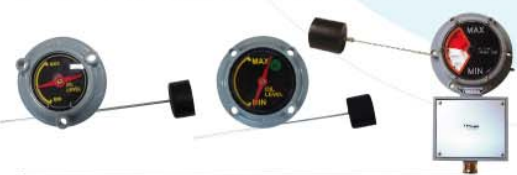

BR50, BR80

Magnetic Oil Level Indicators

OLI type L80 & L100 without contact, LA140 with contact(s)

Safety Valve

Safety Valve

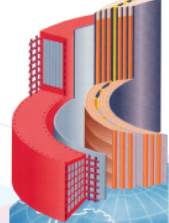

Bushings Insulators (Porcelain)

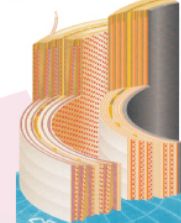

Bushings insulator according to DIN and UNEL standards

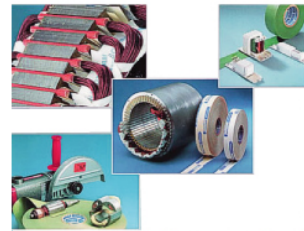

Electrical Insulations for oil-filled and dry type transformers

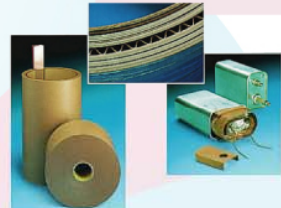

Transformer Presspaper type PSP 3055, PSP 3050

Multi-layer insulation materials

Corrugated board

POWERBOARD AK for power transformers

Prepreg EFBD

Automation 2000

Measuring, Protection and Control Equipment for Distribution & Power Transformer

DGPT2[®] protection relays for transformers

Barberi[®]

Material for distribution and power transformer

Bushings Insulator (Porcelain)

Flanged ball valve

Cast Resin Insulator

Insulations Banding Tape for armatures and transformer core.

Polyester Fiber Tape

Glass Fiber Banding Tape

Glass Fiber Tape

Machine for transformer manufacturer

Punching lines

Cut-to-length lines

Perforating press

Slitting lines

Equipment for reactive resin insulation

Vacuum casting equipment

Vacuum drying and impregnating equipment

Vacuum oil purification equipment

Vapour phase transformer drying equipment

Single or multi-purpose

Coil winding machine

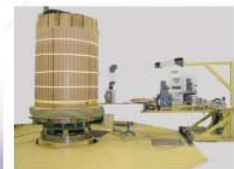

S-Series

FWM-LV-Series

FWM-HV-Series

VWM-Series

Recycling Technology

Primary Shredder

Secondary Shredder

Screener

"DIELESS" Crimping tool

HPA 400

CU 16-400 sq.mm.

HPM 400

CU 16-400 sq.mm.

HPH 400

CU 16-400 sq.mm.

"DIELESS" Crimping head

HP 95

CU 10-95 sq.mm.

HP 300

CU 50-300 sq.mm.

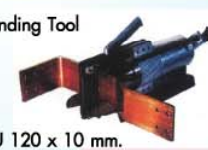

Busbar Fabrication System HSBL-2

Cutting Tool

CU 160 x 13 mm.

Bending Tool

CU 120 x 10 mm.

Punching

CU 160 x 13 mm.

Low and High Pressure Electric Hydraulic Pump for HSBL-2

HA1-ES Standard

800 W, 150 bar

HA3 Heavy Duty

750 W, 150 bar

HA11 High Pressure

700 bar, 10000 psi

Your Forever Working Partner

Hydraulic compression tool

HYCP-240

CU Up to 240 sq.mm.

UB412

CU Up to 400 sq.mm.

UB-412HE

CU Up to 400 sq.mm.

HYCC-050

Max. dia. 50 mm.

Hydraulic pump

HYP-700FT Hydraulic Foot Pump

HP-700A Hydraulic Hand Pump

Output : 700 BAR/10,000 PSI

Electric Hydraulic Pump

EP-30S Hydraulic Pump

Battery - operated tool

HEC-32

CU Up to 400 sq.mm.
